Reginald: Gretchen. Your feelings are not a burden to us. It was my fault I made you feel that way, and I'm sorry for ever making you feel like you're not worthy. I was a dumb bitch back then, and I'm trying to be better.

Gritchen: it's okay Regina, I forgive you, and forgave you a long time ago

5. Chapter 5- Idek at this point

Summary for the Chapter:

Chandler and Veronica have an INTERESTING conversation, then it all dissolves into crack.

Notes for the Chapter:

Hi! Sorry I haven't updated this fic in a while, I was a bit busy. I hope you enjoy this chapter nonetheless!

Private Messaging: DemonQueen-----RonicaSauce

DemonQueen has changed the chat name to 'You are SO FUCKED'

DemonQueen: VERONICA. FUCKING. SAWYER!

RonicaSauce: shitshitshitshitshit

DemonQueen: WHAT'S HTIS ABOUT YOU FUCKING MURDERING ME?!

RonicaSauce: I'm sorry...

RonicaSauce is typing

DemonQueen is typing

DemonQueen: 'Sorry?' You'd better be sorry for KILLING ME with fucking DRAN CLEANER of all things whilst pretending it was a *hangover cure!* Not to MENTION the fact that you fucking THREW UP ON MY SHOES the night before that!

RonicaSauce: Look, Heather, I'm not saying that I didn't have a part in this, because I did, and I regret that deeply. BUt remember that part of the musical where it showed JD coming up with the idea? Yeah, me too. Not to mention that I wasn't even aware of JD's intentions at the time

RonicaSauce: , I thought he was kJoking about the drain cleaner (my

plan was to spit in the cup I was going to give you, sorry Heather), and also thought he'd at least pour it down the sink whilst I made a non-lethal 'hangover cure' from orange juice and milk. (and spit) I didn't expect him to kiss me as a distraction so that

RonicaSauce: I'd accidentally pick up the wrong cup and you'd die. And I did, and you did. So, sorry Heater. But JD's not innocent either

DemonQueen: ...

DemonQueen: Veronica. I'm not apologising for my rant at you earlier as I am still mad But I guess I'm less mad at you and more at Jesse James now

DemonQueen: Well done, you now have 25% more chance of survival when you cross my path at school on Monday

DemonQueen: as for Jesse James? If I had his contact right now he'd be FIUCKED.

9. Chapter 9- in which Janis spams everyone multiple times

Summary for the Chapter:

Literally 13 Word pages of Janis being sleep deprived and spamming everyone whilst everyone else tries to get her to sleep

Notes for the Chapter:

Hi! Not much to say except enjoy this chapter if you want to, lol

Groupchat- Hell

Artisternio: [JEREMY]

C-c-c c'mon, c-c-c- c'mon

Go, go

C-c-c c'mon, c-c-c- c'mon

Go, go

I'm waiting for my porno to load

My brain is gonna freakin' explode

And now, of course, it's time to hit the road

Which means I'll be uncomfortable all day

But that really isn't such a change

If I'm not feeling weird or super strange

My life would be in utter disarray

'Cause freaking out is my okay

Good morning, time to start the day!

C-c-c c'mon, c-c-c c'mon

Go, go

C-c-c c'mon, c-c-c c'mon

Go, go

(spoken)

Dad!

Haven't you heard of pants?

[MR. HEERE, spoken]

We're all men in this house!

Pretend we're in the army

[JEREMY, spoken]

Just, when I get home, please

Have clothes on, okay?

[MR. HEERE, spoken]

Ten-hut!

[JEREMY]

Should I take a bus or walk instead?

I feel my stomach filling up with dread

When I get nervous my whole face goes red

Dude, weigh the options calmly and be still

A junior on the bus is killer weak

But if I walk when I arrive I'm gonna straight up reek

And my boxers will be bunchy and my pits will leak

Ugh, God, I wish I had the skill

To just be fine and cool and chill

I don't wanna be a hero

Just wanna stay in the line

I'll never be a Rob DeNiro

For me Joe Pesci is fine

So I follow my own rules

And I use them as my tools

To stay alive

I don't wanna be special, no, no

I just wanna survive

[JEREMY and COMPANY]

C-c-c c'mon c-c-c c'mon

Go, go

C-c-c c'mon c-c-c c'mon

Go, go

Woah!

[CHLOE, spoken]

Oh, what are you staring at?

[JEREMY, spoken]

Um.. just trying to get to my locker

[CHLOE, spoken]

That guy is so weird

[BROOKE, spoken]

I've literally never noticed him

[RICH, spoken]

Yo, don't touch me, tall ass!

[JEREMY, spoken]

Sorry, I was just trying to get to my locker

[RICH, spoken]

You wash this off, you're dead!

[JEREMY]

I navigate the dangerous hall

Focus on a poster there on the wall

Avoiding any eye contact at all

And trying hard to remain unseen

The poster's closer now, what does it say?

Oh, it's a sign-up for the after-school play

It's a sign-up sheet for getting called gay

And that's not what I need right now

End scene

I hang a left and there's

Christine...

Christine...

Christine...

Christine Canigula

Christine...

[CHRISTINE, spoken]

Excuse me?

I think someone wrote "BOYF" on your backpack

[JEREMY, spoken]

I- uh!

[JEREMY]

Well, that was smooth

Yeah, that was super pimp

My Mac Daddy game couldn't be more limp

No time to wallow, no, instead

Just clear your brain and move ahead

Accept that you're one of those guys

Who'll be a virgin 'til he dies

I don't wanna be a baller

Just want some skills to count on

If my nuts were any smaller

They would be totally gone

If I continue at this rate

The only thing I'll ever date

Is my MacBook Pro hard drive

I don't wanna be Clooney, no, no

I just wanna survive

[JEREMY, spoken]

Michael!

[MICHAEL]

Jeremy, my buddy

How's it hanging?

Lunch is banging

Had my sushi

Got my slushie and more!

The roll was negimaki

And I'm feeling kinda cocky

'Cause the girl at Sev' Elev' gave me a generous pour

[JEREMY, spoken]

You're listening to Bob Marley again, aren't you?

[MICHAEL]

Oh, I'm listening to Marley

And the groove is hella gnarly

And we're almost at the end of the song

Yeah, that was the end

Now tell me friend

How was class?

You look like ass

What's wrong?

[JEREMY, spoken]

BOYF? What does that even mean?

[MICHAEL, spoken]

My mothers would be thrilled!

[JEREMY, spoken]

I hate this school

[MICHAEL, spoken]

It's all good

I saw on Discovery

That humanity has stopped evolving!

[JEREMY, spoken]

That's... good?

[MICHAEL, spoken]

Evolution's "Survival of the Fittest", right?

But now, because of technology

You don't have to be strong to survive!

Which means there's never been a better time in history to be a loser!

Ha!

Why try to be cool when you could be---

[JEREMY, spoken]

Signing up for the play!

[MICHAEL, spoken]

I was gonna say getting stoned in my basement, but...

[JEREMY, spoken]

No! I mean, look who's signing up for the play!

(sung)

Christine...

[MICHAEL]

Christine...

[JEREMY & MICHAEL]

Christine...

Christine Caligula

Christine...

Christine...

Christine...

[COMPANY]

Christine Caligula

Christine Caligula

[JEREMY]

I feel my body moving through the air

See my converse walking over there

Take a shaky breath and I prepare

Who cares if people think I'm lame

Christine signed, I'll do the same

I grab the pen, I write my name

[RICH, spoken]

Gay!

[COMPANY]

(Laughter)

[CHLOE, spoken]

I like gay people

[JEREMY]

I'm never gonna be the cool guy

I'm more the one who's left out

Of all the characters at school

I am not the one who the story's about

Why can't someone just help me out

And teach me how to thrive

[JEREMY & COMPANY]

Help me to more than survive!

Ah, ah, ah, ah, ah, ah ah ah...

More than survive!

Na, na, na, na, na na na na...

More than survive!

Na, na, na, na, na na na na...

[JEREMY]

If this was an apocalypse

I would not need any tips

In how to stay alive

(spoken)

But since the zombie army's yet to descend

And the period is going to end

(sung)

I'm just trying my best to pass the test and

[JEREMY and COMPANY]

Survive!

C-c-c-c'mon, c-c-c-c'mon

Go, go!

Survive!

C-c-c-c'mon, c-c-c-c'mon

Go, go!

[COMPANY]

C-c-c-c'mon, c-c-c-c'mon

Go, go!

Go, go, go, go, go, go, go, go, go, go

Go... go!

Reginald: Janis, what the everlasting fuck?

Artisternio: it's 4AM and im bored

Calculust: Go to sleep Janis

Artisternio: Says the girl who studies for meth tests at 3am

Calculust: Please tell me that 'meth' was a typo and you don't actually think I do drugs

Artisternio: MATH NOT METH

TheMilkFinisher: lol the only people who do drugs are me and @CrystalMeth

CrystalMeth: I DO NOT DO DRUGS

GothyTeen: *GothyTeen: Tell that to your crystals*

Chartles: LYDIA GO TO SLEEP RIGHT THIS INSTANT!

GothyTeen: Bold of you to assume I've ever slept at night

Chartles: LYDIA DEETZ!

GothyTeen: Ok, ok, i'll lay motionless in bed pretending I'm dead for four hours, Jesus

GothyTeen has muted the chat

Chartles has muted the chat

CrystalMeth has muted the chat

KINKY: Loll rip Lydia

TooGayToFunction: Haha loll

TooGayToFunction: Also Janis, go to sleep right this instant

Artisternio: Never

Artisternio:

[CONNOR:]

Dear Evan Hansen, we've been way too out of touch

Things have been crazy and it sucks that we don't talk that much

But I should tell you that I think of you each night, I rub my nipples
and start moaning with delight

[EVAN:]

Why would you write that?

[JARED:]

I'm just trying to tell the truth

[EVAN:]

This needs to be perfect. These emails have to prove that we were
actually friends. Just.. I'll do it

[CONNOR:]

I've gotta tell you, life without you has been hard

[JARED:]

Hard?

[CONNOR:]

Has been bad

[JARED:]

Bad?

[CONNOR:]

Has been rough

[JARED:]

Kinky!

[CONNOR:]

And I miss talking about life and other stuff

[JARED:]

Very specific

[EVAN:]

Shut up!

[CONNOR:]

I like my parents

[JARED:]

Who says that?

[CONNOR:]

I love my parents but each day's another fight

If I stop smoking drugs then everything might be alright

[JARED:]

Smoking drugs?

[EVAN:]

Just fix it!

[CONNOR:]

If I stop smoking crack

[EVAN:]

Crack?!

[CONNOR:]

If I stop smoking pot then everything might be alright

I'll take your advice, I'll try to be more nice

I'll turn it around, wait and see

'Cause all that it takes is a little reinvention

It's easy to change if you give it your attention

All you gotta do is just believe you can be who you want to be

Sincerely, Me

[JARED:]

Are we done yet?

[EVAN:]

Well I can't just give them one email. I want to show that I was, like, a good friend, you know?

[JARED:]

Oh my god

[EVAN:]

Dear Connor Murphy,

Yes, I also miss our talks

Stop doing drugs, just try to take deep breaths and go on walks

[JARED:]

No.

[EVAN:]

I'm sending pictures of the most amazing trees

[JARED:]

No!

[EVAN:]

You'll be obsessed with all my forest expertise

[JARED:]

Absolutely not

[EVAN:]

Dude, I'm proud of you, just keep pushing through

You're turning around, I can see

[CONNOR:]

Just wait and see!

[EVAN & CONNOR:]

'Cause all that it takes is a little reinvention

It's easy to change if you give it your attention

All you gotta do is just believe you can be who you want to be

Sincerely, Me

[CONNOR:]

My sister's hot

[EVAN:]

What the hell!

[JARED:]

My bad.

[CONNOR:]

Dear Evan Hansen, thanks for every note you send

[EVAN:]

Dear Connor Murphy, I'm just glad to be your friend

[EVAN & CONNOR:]

Our friendship goes beyond your average kind of bond

[EVAN:]

But not because we're gay

[CONNOR:]

No, not because we're gay

[EVAN & CONNOR:]

We're close, but not that way, the only man that I love is my dad

[CONNOR:]

Well anyway!

[EVAN:]

You're getting better every day

[CONNOR:]

I'm getting better every day

[ALL:]

You're getting better every day

[ALL:]

Hey hey hey hey!

[CONNOR AND EVAN:]

'Cause all that it takes is a little reinvention

It's easy to change if you give it your attention

All you gotta do is just believe you can be who you want to be

Sincerely

Miss you dearly

Sincerely, Me

Sincerely, Me

Sincerely, Me

Sincerely, Me

Reginald: JANIS, STOP IT! MY PHONE IS LITERALLY DYING FROM ALL THE SPAM TEXTS YOU'VE SENT ME!

Artisternio: Be thankful I didn't put all of them on this chat

Calculust: ... Exactly how many of these things did Janis send you @Reginald?

Notes for the Chapter:

Hi! If you haven't seen/heard of IANOWT (i Am Not Okay With This), I suggest you check it out or search it up if you'd like, otherwise this chapter might not make much sense. Then again, I only know about it from Youtube clips due to me not having Netflix, so I who am I to talk?

Barret'sNumber1Fan: I still love that show and I don't even have Netflix

Diiina: I do! I'll go look it up

Atrois: Oh shit

Diiina: Just... come over

NotOkayWithThis: okay?

StanTheMan: Sure I'll come too

Barret'sNumber1Fan: Aww ☺

TheMilkFinisher: lol Zoe and I have netflix

MadeOfLove: In all the futures I could foresee, I have to say getting added to this chat was not one of the possibilities I thought would happen

Artisternio: Just when I trthink this chat can't get any more chatotic the enity always proves me wrong

TooGayToFunction: 1) Janis, go to sleep 2) trthink, chatotic and enity

Artisternio: No swdfghjm,fgjhcnvb okjhgfds7

Calculust: Dw I climbed through her window and stole her phone

Calculust: And now I'm going back to my house to sleep

Calculust has muted the chat

NotMermista: Why is my username... this

UnknownEntity: Water powers. That is the only context you're getting.

NotArielOrLapisLazuli: Bitch I'm the princess of water

NotMermista: Um, WHY is my name in your username?

NotArielOrLapisLazuli: I dunno, probably because your name is Ariel or Lapis Lazuli, whoever the fuck they are

NotArielOrLapisLazuli: Anyway, why is MY name in YOUR username?

NotMermista: Idk

ConCon: Guys I think we should introduce ourselves

SteetsUniu: Good idea, I'm too tired for this

SteetsUniu: I'm Steven Quartz Cutiepie Diamond Demayo Universe, I saved the universe when I was 14 and again when I was 16 and am half-human, half-gem and have 'magical' gem powers and stuff (Attachment- Me13.jpg)

SteetsUniu: I would answer any questions you guys have but I'm tired so I'll answer them at a decent time of day

SteetsUniu has muted the chat

ConCon: Oh hi Steven!

ConCon: He'll see it in the morning I guess, anyway, I'm Connie! (Attachment- BookLover.jpg)

ConCon: I'm also human so I need to go to sleep now, bye!

ConCon has muted the chat

Adork: Those two seemed nice

MadeOfLove: They are, in their own special ways

MadeOfLove: Oh, and I'm Garnet, the best fusion there is if I do say so myself. **@ThisGirlIsOnFire** and **@TheColdNeverBotheredMeEither** are Ruby and Sapphire (in that order) make up me (Attachment- StrongerThanYou.jpg, Ruby<3.jpg and Sapphy<3<3<3.jpg)

Sparkles: Wdym the two usernames you @-ed 'make up' you?

MadeOfLove: Ah, I see you haven't heard of fusion before

MadeOfLove: I would happily explain it to you now, but I think everyone else who's been recently added to this chat need to introduce themselves before we launch into 'Gem stuff.'

Whipped: Cool beans, glad Garnet, Connie and Ste-man are on this chat

Whipped: I'm Amethyst btw, I'm a Gem (Attachment- SupY'all.jpg)

Adork: What's that I see? Another y'all user? TOLD YOU PEOPLE STILL USED Y'ALL

Sparkles:

WillKillYou has muted the chat

JereBear: Not meaning to be rude or anything but what is it with the people who've just joined and these Gem things?

GreenDorito: 'These Gem things' are Gems, which are in short an extraterrestrial species from the planet Homeworld that I, along with Garnet, Amethyst and any other Gems on this chat, are a part of. There is also Steven, who's half-Gem, half human because his mother, who I'm not going to talk about in great detail because it's his story to tell, gave up her form to give birth to him.

GreenDorito: Gems coexist peacefully with humans because of Steven, but again that's his story to tell. There are many different types of Gem, each of which was made with a specific purpose but are now allowed to have free will, again because of Steven.

GreenDorito: I myself am an Era 2-Peridot, originally created to watch over the Cluster, which I'll explain about later, under the orders of Yellow Diamond because she was a terrible person back then. Long story short, I ended up joining the Crystal Gems after calling Yellow a clod for wanting to destroy the Earth, and stuff happened and now I'm here! (Attachment- GreatAndLoveable.jpg)

NotTraumatized: Yikes, that sounds complicated

NotMermista: Yup, compiclted kinda sums it up

TooGayToFunction: Lol compiclted

NotMermista: I'm sorry that phones don't exist on Homeworld or in a mirror

DuckDuckDuck: 'In a mirror?'

NotMermista: Long story, don't ask any more questions about it

NotMermista: Oh, and I'm Lapis Lazuli (Attachment- WaterBoss.jpg)

BackInBismuth: Oh hi whatever this is, can't type much right now as I'm busy repairing something but I'm Bismuth (Attachment- Me15.jpg)

DuckDuckDuck: This chat is a fucking nightmare, I'm going to sleep

DuckDuckDuck has muted the chat

NotMermista: Lol imagine needing sleep
